SECTION 3 Qualification Procedures

- A. Any offeror seeking the preference must be a party to an apprenticeship agreement registered with the department at the time the offer is made for each apprenticeable trade the offeror will employ to construct the public works project for which the offer is being made.
 - (1) The apprenticeship agreement shall be registered and conform to the requirements of HRS Chapter 372.

- (2) Subcontractors do not have to be a party to an apprenticeship agreement for the offeror to obtain the preference.
- (3) The offeror is not required to have apprentices in its employ at the time of submittal of an offer to qualify for the preference.

B. The department shall:

- (2) Electronically post the list, including any amendments, on the department website.

C. Offeror is responsible to comply with all submission requirements for registration of its apprenticeship program before requesting a preference.

D. Offeror shall provide a certification by the sponsor of the respective registered apprenticeship programs covering the relevant trade(s) for the public works project.

E. *Certification Form 1* issued by the department shall include:

- (5) Signature of authorized training coordinator or training trust fund administrator certifying that the contractor is a participant in the program, and that the program is registered with the department;

- (7) Number of apprentices enrolled in the program, number who successfully completed the apprenticeship program in the past 12 months, including whether the contractor is signatory to a collective bargaining agreement for that trade or, if

not, provide for attachment of a copy of the agreement between the contractor and the program.

SECTION 4 Solicitation Procedures

- A. The procurement officer shall determine whether the solicitation is for a public works construction project with an estimated value of \$250,000 or more, provided that even if all offers submitted are less than \$250,000, the preference shall be applied.

 - (1) Allow offeror seeking to claim the preference to state the trades the offeror will employ to perform the work;

 - (3) The *Certification Form 1* shall be authorized by an apprenticeship sponsor of the department list of registered apprenticeship programs. The authorization shall be an original signature by an authorized official of the apprenticeship sponsor; and
 - (4) The completed *Certification Form 1* for each trade must be submitted by the offeror with the offer. A facsimile or copy is acceptable to be submitted with the offer; however, the signed original must be submitted within five (5) working days of the due date of the offer. If the signed original is not received within this timeframe, the preference may be denied. Previous certifications shall not apply unless allowed by the solicitation.
- C. Upon receiving *Certification Form 1*, the procurement officer will verify with the department that the apprenticeship program is on the list of apprenticeship programs registered with the department. If the programs are not confirmed by the department, the offeror will not qualify for the preference.

SECTION 5 Evaluation and Contract Award

- A. If the offeror certifies participation in an apprenticeship program for each trade which will be employed by the offeror for the project, the procurement officer shall apply the preference and decrease the offeror's total bid amount by five per cent (5%) for evaluation purposes.
- B. Should the offeror qualify for other statutory preferences (for example, Hawai'i products), all applicable preferences shall be applied to the offeror's price.
- C. The contract amount shall be the original offer amount, exclusive of any preference. The preference is only for evaluation purposes.
- D. Any claims challenging an offeror's representation that the offeror is a participant in an apprenticeship program(s) as claimed shall be submitted to the procurement officer. The procurement officer will refer the challenge to the Department of Labor and Industrial Relations, which shall investigate any such claims and shall make a determination.

SECTION 6 Contract Administration

- A. For the duration of a contract awarded utilizing the apprenticeship preference, the contractor shall certify each month that work is being conducted on the project, that it continues to be a participant in the relevant apprenticeship program for each trade it employs.
- B. Monthly certification shall be made on *Monthly Certification Form 2* prepared and made available by the department, be a signed original by the respective apprenticeship program sponsor's authorized official, and submitted by the contractor with its monthly payment requests.
- C. Should the contractor fail or refuse to submit its monthly certification forms or, at any time during the construction of the project, cease to be a party to a registered apprenticeship agreement for each apprenticeable trades the contractor employs, or will employ, the contractor will be subject to the following sanctions:
 - (1) Withholding of the requested payment until the required form(s) are submitted;

D. If events such as "acts of God," acts of a public enemy, acts of the State or any other governmental body in its sovereign or contractual capacity, fires, floods, epidemics, freight embargoes, unusually severe weather, or strikes or other labor disputes prevent the contractor from submitting the certification forms, the contractor shall not be penalized as provided herein, provided the contractor completely and expeditiously complies with the certification process when the event is over.
